MOY Data
Safety Discussion

12:15 Mrs. James - Safety Plan and Digital Citizenship discussion

12:40 Dismiss

Meeting Minutes:

In attendance:

April Heath, Kara Remington, Courtney Anderson, Kim Anderson, Megan Bryan, Jeana James

11:45

April welcomed everyone and then went over the school wide management plan, including the school rules and strategies to help the students. April discussed the school's zero tolerance policy.

11:50

Digital safety and the school policy and district website were discussed.

11:55

April presented the middle of year (MOY) data, reading and math scores were reviewed for each grade. Students are making good progress from the BOY assessments and are on track for end of year goals. The assistance of paraprofessionals has been a great resource for helping the students in both math and reading.

12:05

Reviewed the funding received from the State Trust Lands for current school year and walked through how the funds are being used in connection with the goals for this year.

12:15

Mrs. James joined the meeting and reviewed the emergency preparedness response plan. Mrs. James pointed out that parents are sent their own PowerPoint for what to do in the case of an emergency and that she provides instruction/training for both the teachers and the students on what to do in case of an emergency. Discussed how funding from the PTA is going toward safety upgrades in the classrooms.

12:25

Mrs. James went over some of the digital safety concerns and lessons that she gives to the students.

12:30

Discussed the culture at the school. April solicited feedback from parents.

12:35

Confirmed next meeting will be February 24, 2025 at 10:40am. We will discuss the goals for the 2025-2026 school year and vote on a plan.

12:40

Meeting dismissed.
